THE WEEKLY STAR

Is published every Friday. Subscription, \$1 a year; 50 cents for six months.

This issue of the Star contains the announcement for Mr. S. T. Sistrunk for re-election to the position of county clerk. The incumbent is so well and favorably known as a commendable citizen and thoroughly competent and affable official, that our words can add nothing to his standing, ability and acceptability to the voters of the county, and with such an enviable record as his, we place him in the hands of his friends.

Elsewhere will be found the announcement of Mr. E. P. Thagard for re-election to the position of tax collector of this county. He has filled it so acceptably in the past that the people are pleased with the business conditions that prevail in his office, and, recognizing this desirable state of affairs, his friends are a host. As in all other cases of a similar character, we present the name of Mr. Thagard to the kindly consideration of the democratic voters of Marion county
